Chair and Members of the Planning and Environment Committee

Re: Assumption Notification

I respectfully request that the Civic Administration be requested to establish a procedure whereby residents of a new residential subdivision are notified prior to the subdivision being assumed by the City of London.

Residents of new subdivisions are often caught off guard when municipal by-laws, such as parking by-laws, begin to be enforced because assumption of the subdivision has occurred, without the residents' knowledge.

I will be available at the Planning and Environment Committee meeting to answer any questions with respect to this request.

Respectfully submitted,

Matt Brown
Councillor, Ward 7
