Community and Protective Services Committee Dear Chair and members of the committee

Re: Delegation status

I am hereby requesting for delegation status at the CPSC meeting at which will be held on December 05, 2017. Issues that I intent to bring to your attention are:

- 1- In Cab Security Cameras & public safety.
- 2- Subject of "unlimited taxi plates"?
- 3- A recommendation to the committee, regarding all potential debates and discussions pertaining to taxi industry.
- 4- Current charges and fees collected from taxi industry, a serious concern.

I kindly request to have opportunity to speak at the CPSC meeting scheduled for December 05, 2017 not at meetings scheduled at later date.

Sincerely,

Hasan Savehilaghi
