BACKGROUND

The Heritage London Foundation (HLF) has been in a contractual relationship with the City for a number of years with respect to the management of this municipally owned heritage property.

The first formal contract for the management of the Elsie Perrin Williams Estate property at 101 Windermere Road was in February 1984. Since that time, this agreement has been renewed on three year terms. The most recent agreement was renewed in June 2013 for a three year term, with one option to renew for a further one year term, which was executed bringing the expiry date to the end of December 2017.

The Heritage London Foundation is a non-profit organization and any revenues in excess of expenses are used for various upgrades to the Elsie Perrin Williams estate. Building and grounds maintenance have been provided through the City of London Divisions (Facilities and Planning).

The Elsie Perrin Williams Estate includes a Heritage House and extensive grounds. The mandate of the Heritage London Foundation with respect to this property is to operate this facility with the following objectives:

- to assist in the restoration, renovation and development of the unique and historical Estate, including the parklands;
- to encourage public awareness, support and enjoyment of the estate in keeping with the spirit of Elsie Perrin Williams original bequest;
- to create greater public awareness of our natural and historical heritage and of its significance for the citizens of London.

The Estate house, under the management of the Heritage London Foundation staff, is used for small conferences, weddings and private parties.

It should also be noted that the Estate has been a participant building in every Doors Open London event since its inception in 2002. Each year the site has proven to be popular one helping make the public more aware of the facility.

In recent years HLF has carried out extensive interior redecoration of several rooms with respect to paint and curtains. All improvements are done in keeping with the Heritage status of the site and related structures and have been reviewed by the City's Heritage Planner.

Capital improvements and repairs are carried out under the supervision of Facility Services and the Planning. Funding for such projects is provided from the City's Heritage Properties accounts.

City staff periodically attend HLF board meetings and receive information regarding the ongoing management of the property.

Interest

There has been no other formal expression of interest in managing this City owned facility.

Conclusion

In the opinion of the Civic Administration, in regular contact with HLF management, the relationship between the City and HLF with respect to the management of the property has worked well since the original agreements were arranged. HLF staff have proven adept at working with City Administration to maintain the facility and promoting it to the community. In doing so, the arrangement has eased the demand on City resources and allowed for the retention of highly important heritage assets.

It is therefore recommended that the Licence Agreement between the City and HLF, as amended, be renewed for a period of five (5) years commencing January 1, 2018 through to December 31, 2022. It should be noted that there is a termination clause in the agreement that either party may, upon not less than one hundred and eighty (180) days written notice, terminate this agreement for any reason.

The form of agreement has been approved by the City Solicitor's Office.

*Assented to April 8th, 1938.
Session Prorogued April 8th, 1938.*

WHEREAS Elsie P. Williams, of the township of London ^{Preambl}
in the county of Middlesex, widow, died on or about the
3rd day of June, 1934, having first made and published her
last will and testament bearing date the 15th day of July, 1932,
and certain codicils thereto bearing date the 14th day of April,
1934, and the 18th day of May, 1934, respectively; and whereas
the said Elsie P. Williams, after making provision for payment
of certain legacies and bequests directed by her will that all
her estate including the estate of Daniel S. Perrin over which
she had a power of appointment, be given to her executors and
trustees upon trust to convert the same into money, with the
exception of her property known as "Windermere" (being her
country residence situate some distance outside the city of
London); and whereas after bequeathing a number of legacies
the said testatrix provided for her housekeeper, Harriet
Kestle, residing during her lifetime at "Windermere" and
receiving for her support and maintenance at "Windermere" an
annual income such as her trustees might from time to time
deem necessary or expedient, so long as she continue to reside
at "Windermere" and provided that in addition thereto such
trustees should pay the taxes on "Windermere" and the
insurance premiums and keep the dwelling house in repair;
and whereas the said will further made provision that upon the
decease of the said Harriet Kestle or upon her ceasing to
reside at "Windermere," whichever event first happened, to
permit the corporation of the city of London and its successors
to use and occupy "Windermere" and her household furniture
and effects for all time to come as a public park and museum;
and whereas the said will further made provision that in the
event of the corporation of the city of London ceasing at any
time to use and occupy "Windermere" and such household
furniture and effects solely as a public park and museum,
then "Windermere" and such household furniture and effects
should become the absolute property of the Ursuline Religious
of the Diocese of London in Ontario, for Brescia Hall, and that
the residuary trust fund should also become the absolute
property of and be paid over forthwith to the said Ursuline
Religious order; and whereas the corporation of the city of
London as contemplated by said will applied for and obtained

an Act of the Legislative Assembly of the Province of Ontario empowering it to accept the provisions made for it in the will which Act is referred to as Chapter ~~78~~ Statutes of Ontario, 1935; and whereas on the 11th day of March, 1936, Mary Ryan, a niece of the late Daniel S. Perrin, commenced an action in the Supreme Court of Ontario against Thomas Graves Meredith and Talbot Macbeth, as executors, in which action six other nephews and nieces of the said Daniel S. Williams, and for a further judgment declaring that the purported exercise of the power of appointment by the said Elsie P. Williams therein was null and void; and whereas in the month of November, 1937, a settlement of said action was arrived at between Mary Ryan, the plaintiff, and several of the defendants therein named and written minutes of settlement which are contained in Schedule A to this Act, were executed on behalf of such parties; and whereas the corporation of the city of London has by its petition prayed for special legislation in respect of the estate of the said Elsie P.
