Subject: Conditions of Draft Approval for Sunningdale West - 39T-05508

Allister;

We are now in receipt of the signed staff report in association with the 3 year draft plan extension of the above referenced. We have reviewed all of the revised conditions proposed and are in agreement with same. Thank you for all of your efforts in moving this forward...greatly appreciated. While we will not be in attendance at the June 11th public meeting, please bring to the attention of the Planning and Environment Committee this email and the fact that we are in support of the staff report and associated recommendations. We look forward to receiving a copy of the Approval Authority's extension, as appropriate.

Cheers, Dave
