RE: Ontario Good Roads Association Campaign Expenses

I have represented the City of London as an elected member on the Ontario Good Roads Association (OGRA) Board of Directors since February 2016, serving on both the Membership Services Committee, 2016-2017, and on the Policy Committee, 2017-2018, of which I was elected as co-chair. I have had the opportunity to re-run the Board of Directors for the next term of the board.

I respectfully request that I be **REIMBURSED** for expenses I should incur related to campaign material, up to \$250.00, outside my annual expense allocation and in accordance with Council's Travel and Business Expense Policy.

Additionally, subject to successful election, I respectfully request that I be **REIMBURSED** for expenses (over and above those which OGRA covers) related to attending 2018-2020 term meetings outside my annual expense allocation, and in accordance with Council's Travel and Business Expense Policy.

Thank you for your consideration of this matter.
