**Subject: Hyde Park Business Improvement Association Board of Management / Change to Director**

Good morning Cathy!

We are respectfully requesting two changes to our Board of Management membership be approved by the Corporate Services Committee:

*Remove **Luca Cosentino*** as his position of General Manager with Montana's at Hyde Park has shifted to a new location outside of the HPBIA boundaries.

*Add **Samira Soufan***, General Manager of CIBC at 1960 Hyde Park Road

These changes have been approved by the Hyde Park Business Improvement Association Board of Management.

Can you please let me know if any further information will be required?

Many thanks!
