

Committee: **Animal Welfare Advisory Committee**

Organization/Sector represented:

Name: **Wendy Moore**

Address:

**105 Langarth St. W  
London, ON**

Occupation: **self-employed**

Work experience: **I worked in the pet industry in London many years ago. My true occupation is as a marketing consultant and copywriter but my experience with animals, outside of my occupation, is extensive.**

Education: **My education includes a diploma in animal care and a certificate in small animal nutrition.**

Skills: **I have been caregiver for a wide variety of pets as well as wild animals over the years. I have worked in London's pet industry, have rescued and fostered abandoned animals.**

Interest reason: **I think it's important to have a strong and clear guidebook for the city's animals as well as making sure it is possible to enforce. My experience on both sides of the topic - working in the pet industry and well as being a caregiver would allow me to share experiences and opinions that benefit both development of guidelines and how to enforce them.**

Contributions: **See above.**

Past contributions: **N/A**

Interpersonal: **I have worked in corporations where this is a requirement in all communications.**

Interview interest: **Yes**
