

to Heather Lysynski In the letter from West Coronation Developments it states he has made numerous attempts to get a second access through our property @ 954 Gainsborough Road. This I believe is not accurate. He has never discussed this issue with me to the best of my knowledge. He is correct that we do not wish to develop our property at this time as we have lived here for 34 years and wish to remain here.
Roy and Pauline Phillips 954 Gainsborough Road
