Name: **Rodger J. Moran**

Address:

**24 Graham Crescent
London, Ontario, N5W 4L8**

Occupation: **Project Manager**

Work experience: **Operations & Administration professional with 10+ years of experience in the public and private sector, in organizations ranging in size from start-up to 3000+ employees. Versatile, adaptable administrator skilled working alongside high-profile individuals and groups in fast-paced, high-impact environments. Creative, innovative thinker, adept at leading teams through complex projects and conditions. Excellent communication skills.**

Education: **I studied Marketing Management at Kwantlen Polytechnic University in Langley, British Columbia. I later received my Bachelor of Arts (Hon) from Dalhousie University and am currently enrolled in the Master of Business Administration program with a specialty stream in Innovation Leadership from the University of Fredericton.**

Skills: **Growing up in a single parent, low income household that benefited from government assistant programs and municipal housing, I have a passion for working with organizations that provide similar services to the ones my family benefited from. This background, coupled with my strong business acumen and extensive experience sitting on boards and committees that focus on community work makes gives me a unique perspective.**

Interest reason: **While the first 25 years of my life were spent outside of London, I consider myself a Londoner through-and-through. This city has provided a safe space in which to work and raise my family, and I am forever grateful. I am strong believer in giving back and working to improve the lives of others. The London and Middlesex Housing Corporation is of particular interest to me as my family benefited from a similar organization when I was growing up in British Columbia.**

Contributions: **I believe I can offer this body a perspective that is both practical and empathetic. My experience in business has taught me the importance of having a organization running as efficiently as possible. At the same time, the circumstances of my upbringing and my extensive work in the London community, as well as my involvement in the local church and charities have furthered my empathetic nature. These two components of my personality and perspective - practicality and empathy - is what I would bring to the table.**

Past contributions: **During my days at Dalhousie University, I served as Vice President of the Halifax Student Housing Society. The Halifax Student Housing Society (HSHS) is a non-profit organization founded in 1965 by a group of Dalhousie married students. Their goal was to offer students and their families comfortable and affordable accommodation with a family atmosphere. This goal is accomplished through the operation of Peter Green Hall and the Peter Green Hall Children's Centre (PGHCC). Peter Green Hall (PGH) is the name of the 112 unit apartment building this co-operative built.**

Interpersonal: **I have had the good fortune of sitting on a number of boards and committees in both the public and private sectors. Being an effective member means having the ability to have respectful and meaningful exchanges of ideas, often times with those of opposing views. I am a person who firmly believes in respecting the skills, abilities, knowledge and perspectives of others. I've had the chance to engage with others using these personal beliefs, and I hope to have the chance to continue that with the London and Middlesex Housing Corporation Board of Directors.**
