Old East Village Business Improvement Area Request for Boundary Expansion – PEC – March 19, 2018

2.0 Background

On March 27, 2018, Municipal Council passed the following resolution:

That, on the recommendation of the Managing Director, Planning and City Planner, the Civic Administration BE DIRECTED to take the necessary steps in 2018 to expand the boundary of the Old East Village Business Improvement Area in response to the communication dated December 19, 2016 from Jennifer Pastorius, Manager, Old East Village Business Improvement Area appended to the staff report dated March 19, 2018.

3.0 Discussion

To expand the boundaries of the Old East Village Business Improvement Area (BIA), Council must pass a by-law in accordance with section 209 of the *Municipal Act, 2001*. Before passing such a by-law, however, Council is required by section 210 of the Act to send a notice to the board of management and to every person who on the last returned assessment roll is assessed for rateable property that is in a prescribed business property class which is located in the existing improvement area and in the geographic area proposed to be added. Every person who receives such a notice from the City is required within 30 days to give a copy of the notice to each tenant of the property who is required to pay all or part of the taxes on the property. Every person who receives a notice from the City is also required to give the City Clerk: (i) a list of every tenant at the property who is required to pay all or part of the taxes on the property; (ii) the share of the taxes that each tenant is required to pay; and (iii) the share that the person who received the notice is required to pay.

Section 210(3) of the *Municipal Act, 2001* specifies that City Council is not permitted to pass the attached by-law to alter the boundaries of a business improvement area if written objections are received by the City Clerk and those objections have been signed by at least one-third of the total number of persons entitled to receive a notice as described in the previous paragraph (e.g. persons who receive the notice and each tenant who is required to pay all or part of the taxes on the property), and those persons are also responsible for at least one-third of the taxes levied for purposes of the general local municipality levy on rateable property in all prescribed business property classes in the existing improvement area or in only the geographic area proposed to be added. Any objections must be received within 60 days of the City mailing the last notices as described above. If objections received do not meet the criteria set out in section 210(3) of the Act, then Council may proceed with passing the attached by-law. The attached by-law, if passed, would maintain the existing corporation in accordance with subsection 204(2) of the Act, with the proposed new boundaries.

Section 205 of the *Municipal Act, 2001* requires that the Board of Management of a business improvement area must annually prepare a budget for submission to City Council for its approval. The Board of Management of a BIA is also required to hold at least one meeting annually of the entire business improvement area membership to discuss the annual budget. The City is then required to raise the amount required for the purposes of the Board of Management by levy upon the ratable property in the improvement area that is in a prescribed business property class.

In addition to expanding the business improvement area boundary, the by-law is being generally updated at this time to be consistent with current legislation as well as amending the number of directors on the Board of Management to consist of 12 directors. The attached by-law has been reviewed by the Old East Village BIA and it is our understanding that the group has no objections to the contents of the attached by-law. The geographic area of the BIA is defined in section 2.1 of the attached draft by-law.

We would like to acknowledge the significant contribution of staff in Finance and Corporate Services, Geomatics, Information Technology Services, Legal Services, and other departments who have participated in the preparation of this report and attachment.

4.0 Conclusion

It is recommended that the attached by-law be approved in principle and City staff be directed to proceed with notification as required under section 210 of the *Municipal Act, 2001*.
