

NOTICE OF PUBLIC INFORMATION CENTRE

THE STUDY

The Upper Thames River Conservation Authority (UTRCA) and the City of London have initiated a Schedule B Municipal Class Environmental Assessment (EA) Study through its consultant AECOM. The focus of the study is to review ways to manage and improve the Broughdale dyke. The alternatives include regular maintenance, erosion protection, reconstruction of the dyke, increasing the height of the dyke, and extending the dyke upstream.

A Public Information Center (PIC) will be held to present an overview of the study and alternative solutions including their evaluation. You will be able to view display boards, speak with study team members and give us your input. The PIC will be a drop-in event and no formal presentation will be made. Details of the PIC are as follows:

Date: Wednesday June 20, 2018

Place: Kings University College, Broughdale Hall Room BH104 (266 Epworth Avenue)

Time: 5:00 pm – 7:00 pm

We would like to hear from you.

Public consultation is an important part of this study. Contact us to provide comments or request more information.
