| BACKGROUND |
|-------------------|

The federal government through Human Resources and Skill Development Canada (HRSDC) under the Homelessness Partnering Secretariat (HPS) is prepared to enter into a funding agreement with the City of London. The City of London will receive \$50,000 to support the adoption of the Homelessness Individuals and Families Information System (HIFIS) as an information management system for emergency shelters and community services supporting individuals experiencing homelessness situated in the City.

| | |
|--|--|

The approved proposal submitted to the Homelessness Partnering Secretariat for HIFIS is to support a Project Coordinator for the City of London to undertake the combined roles of coordinator, trainer and data analyst to implement HIFIS at the City, emergency shelters and interested community services between September 1, 2012 and March 31, 2014. It being noted that the emergency shelters and community services are not operated by the City of London.

London has significant limitations in the type and quality of emergency shelter occupancy data that is currently available. There is no data sharing agreement between HIFIS and any shelter operator or agency providing homelessness related services in London. Each of the emergency shelter operators have introduced their own information management systems which are not compatible with each other. The City of London and the HIFIS team at HRSDC have successfully put in place an application to extract key data from the existing billing practice of the emergency shelters helping to demonstrate the benefits of the system.

The London Community Housing Strategy and the Community Plan on Homelessness, and the Ontario Long Term Affordable Housing Strategy all focus on the reduction of emergency shelter beds and the need to coordinate services with a focus on housing with support. An integrated data sharing tool will assist with the needed system changes.

Expected outcomes of this project for the City of London, emergency shelter operators and participating services are:

- To gain a better understanding of the number and needs of individuals experiencing homelessness and the number of required shelter beds;
- To develop improved supportive and appropriate responses to persistent and chronically individuals experiencing homelessness;
- To improve partnerships, capacity building and data collection to provide a more efficient service delivery model; and,
- To have accurate information on local homelessness leading to an informed funding and policy model.

The Community and Neighbourhood Committee report of May 3, 2011 outlined in detail comments regarding specific clauses in the Funding Agreement, it being noted that HRSDC will not accept any modifications to its standard agreement. The City of London has entered into several similar agreements including the:

- HRSDC Homelessness Partnering Strategy – Designated Communities - 2011
- HRSDC National Project - 2012

The City Solicitors Office and Risk Management have reviewed the content of the HRSDC – HIFIS Funding Agreement between the City and Human Resources and Skills Development Canada.

| |
|-------------------------|
| FINANCIAL IMPACT |
|-------------------------|

There are no financial impacts to the City of London identified at this time.

NEXT STEPS

Implement the HIFIS system and report to the Community Services Committee on the ongoing efforts to improve the data collection and analysis related to emergency shelter service use for individuals experiencing homelessness.

**HER MAJESTY THE QUEEN IN RIGHT OF CANADA, as represented
by the Minister of Human Resources and Skills Development

AND

**The Corporation of the City of London
(hereinafter referred to as the "RECIPIENT")**

WHEREAS Canada conducts a program, known as the Homelessness Partnering Strategy (HPS) that promotes strategic partnerships and structures including housing solutions and stable supports, to assist homeless persons move toward autonomy and self-sufficiency;

WHEREAS the RECIPIENT proposes to carry out the Project described in Schedule A hereto and has applied to Canada for financial assistance towards the costs of the Project;

WHEREAS the Project qualifies for support under the HPS and the RECIPIENT is eligible for financial assistance; and

WHEREAS Canada has agreed to make a contribution to the RECIPIENT towards the costs of the Project on the terms and conditions set out herein;

Now, therefore, Canada and the RECIPIENT agree as follows:

AGREEMENT

1. The following documents and any amendments relating thereto form the Agreement between Canada and the RECIPIENT:
 - a) these Articles of Agreement;
 - b) the document attached hereto as Schedule A and entitled "Project Description";
 - c) the document attached hereto as Schedule B and entitled "Eligible Costs";
 - d) the document attached hereto as Schedule C and entitled "Terms of Payment";
 - e) the document attached hereto as Schedule D and entitled "Additional Conditions".

INTERPRETATION

2. Unless the context requires otherwise, the expressions listed below have the following meanings for the purposes of this Agreement:

"Eligible Costs" means the costs set out in the approved budget for the Project in Schedule B, which are incurred and paid by the RECIPIENT in carrying out the Project and which are subject to, or in compliance with, the conditions governing Eligible Costs set out in Schedule B;

"Fiscal Year" means the period beginning on April 1 in one calendar year and ending on March 31 in the next calendar year; and

"Project" means the activities described in Schedule A.

CONTRIBUTION

3. Subject to the terms and conditions of this Agreement, Canada agrees to provide financial assistance, in the form of a contribution, to the RECIPIENT in respect of the Eligible Costs of the Project. The amount of Canada's contribution shall not exceed the total maximum amount specified in Schedule B.
4. If, following the signing of this Agreement, the RECIPIENT receives any financial assistance for the Project from another source, other than the financial assistance from other sources which the RECIPIENT has declared in Schedule B, Canada may, in its discretion, reduce its contribution by such amount as it considers

appropriate, up to the amount of the additional assistance received, or if Canada's contribution has already been paid, require repayment of such amount. Upon receipt of notice to repay under this section, the RECIPIENT agrees to repay the amount as a debt due to Canada.

PAYMENT SUBJECT TO PARLIAMENTARY APPROPRIATION AND CONTINUING ALLOCATION OF FUNDS BY TREASURY BOARD

5. Any payment under this Agreement is subject to the appropriation of funds by Parliament for the fiscal year in which the payment is to be made and to the maintenance of current and forecasted funding allocation levels for the HPS. In the event that Canada's Treasury Board cancels the program or reduces the level of funding for the program for any fiscal year in which payment is to be made under the Agreement, or in the event that Parliament reduces the overall level of funding for the programs of the Department of Human Resources and Skills Development for any fiscal year in which payment is to be made under the Agreement, Canada may terminate the Agreement in accordance with the termination provisions of this Agreement or reduce the amount of its contribution payable under the Agreement in that fiscal year by such amount that it deems advisable.
6. Where, pursuant to section 5, Canada intends to reduce the amount of its contribution under the Agreement, it shall give the RECIPIENT not less than 3 months notice of its intention to do so. Where, as a result of reduction in funding, the RECIPIENT is unable or unwilling to complete the Project, the RECIPIENT may, upon written notice to Canada, terminate the Agreement.

TERMS OF PAYMENT

7. Subject to sections 8 to 15, payments by Canada will be made in accordance with Schedule C.
8. Any interest earned on advances of Canada's contribution shall be accounted for by the RECIPIENT. Such interest shall be deemed to be part payment of the contribution and shall be taken into account in the calculation of the final payment by Canada, or repayment by the RECIPIENT, as may be appropriate in the circumstances.
9. Canada may withhold up to 10% of the total contribution until after the Project has been completed. The balance of the contribution will be paid following receipt and verification of a final claim for payment accompanied by an itemized statement of all Eligible Costs incurred and paid by the RECIPIENT and a statement certifying that all Eligible Costs claimed are in accordance with the Agreement.
10. Where the advance is payable prior to year end of a Fiscal Year covering a portion of the Project Period that extends into the following Fiscal Year, the advance will normally be made in two instalments. One will be issued to cover the estimated Eligible Costs to be incurred during the portion ending March 31, and the second covering the balance of the advance will be issued at the beginning of April of the new Fiscal Year. However, in exceptional circumstances where Canada deems it necessary to meet program objectives, an advance may be made prior to the end of the Fiscal Year to cover a portion of the Project Period that extends into the following Fiscal Year, but must then not exceed the estimated Eligible Costs to be incurred by the RECIPIENT up until the end of April of that new Fiscal Year.
11. If requested by Canada, the Recipient shall also provide additional supporting documentation as may be specified by Canada.
12. If the amount of the advance payment for the period exceeds the amount of the Eligible Costs incurred and paid by the Recipient for that period, Canada reserves the right to deduct the excess amount and any interest earned on the excess from any other payment required under this Agreement.
13. Canada may withhold payment of any advance pending the completion of any audit under this agreement.
14. If there is a variance between the forecast of cash flow requirements and the actual expenditures for any given period exceeding 15%, the Contribution RECIPIENT shall, if requested by CANADA to do so, furnish Canada with a revised forecast of cash flow requirements.
15. Verification of the claim for final payment may include, if deemed advisable by Canada, the conduct of an audit of the Recipient's books and records to verify the amount of the costs of the project and the costs for which the recipient has claimed payment under this agreement.

REPAYMENT

16. (1) Where the Project Period covers more than one Fiscal Year, the RECIPIENT shall repay, upon written notice to this effect, as a debt due and owing to Canada, any unexpended advance payment of the contribution for the Fiscal Year that is in excess of the Eligible Costs of the Project incurred in that Fiscal Year. Canada shall have the right to deduct the amount of the excess from any amount owing pursuant to this Agreement.

(2) Either during the Project Period or upon the expiry or termination of this Agreement the RECIPIENT shall repay to Canada, upon written notice to this effect, any amount by which the contribution paid to the RECIPIENT, together with any interest earned thereon, which is deemed to be part payment of the contribution under section 8, exceeds the amount to which the RECIPIENT is entitled under this Agreement. Without limiting the generality of the foregoing, amounts to which the RECIPIENT is not entitled include:
 - a) the amount of any unspent advances of the contribution remaining in the hands of the RECIPIENT;

- b) amounts paid in error or in excess of the amount of the cost actually incurred;
- c) amounts paid in respect of costs which are subsequently determined by Canada to be ineligible.

Such amounts are debts due to Canada.

17. Interest shall be charged on overdue repayments in accordance with the *Interest and Administrative Charges Regulations* made pursuant to Canada's *Financial Administration Act*.

OBLIGATIONS OF THE RECIPIENT

18. The RECIPIENT shall:

- a. carry out the Project in a diligent, professional and business-like manner using qualified personnel and/or firms;
- b. commence the Project on or after the start date and shall complete all activities as described in Schedule A by the end of the Project Period without altering the scope or timing of the Project or permit or cause any material change to the Project unless it is approved by Canada;

- d. maintain and implement any and all environmental protection measures prescribed by Canada for ensuring that the harm to the environment resulting from the Project activities, if any, will remain minimal;
- e. ensure that all environmental protection measures, standards and rules relating to the Project activities established by competent authorities are respected; and

The RECIPIENT declares that it has provided Canada with a true and accurate list of all amounts owing to the federal government, which are past due and in default or arrears as of the time of the RECIPIENT's application for funding. The RECIPIENT recognizes that any such amount owing to the federal government may be recovered by Canada by way of deduction or set-off against amounts due or payable to the RECIPIENT under this Agreement.

FINANCIAL RECORDS AND RIGHT OF CANADA TO AUDIT

- 21. The RECIPIENT shall keep proper books of account and records, in accordance with generally accepted accounting principles, of the financial management of the contribution, including records of all Project expenditures and records of Project revenues, including funding received from other sources and records supporting the value of any cash and in kind contribution to the costs of the Project by the RECIPIENT or by another source.
- 22. During the Project Period and for a period of six (6) years thereafter, the RECIPIENT shall make its books, and records available at all reasonable times for inspection and audit by representatives of Canada to ensure compliance with the terms and conditions of this Agreement and to verify costs claimed by the RECIPIENT as the Eligible costs. The RECIPIENT shall permit Canada's representatives to take copies and extracts from such books and records and shall furnish Canada with such additional information as it may require with reference to them.
- 23. Canada retains the right to audit the books and records of the RECIPIENT in accordance with the provisions of section 24 (not applicable in case of agreement with provinces-territories).
- 24. The audit report shall include the following:
 - (a) a certified financial statement providing details of the total actual expenditures made on Project costs to date;
 - (b) a statement certifying the amount of revenues from all sources for the Project, including the contribution received under this Agreement to date, and any interest that has accrued on any advances of the contribution; and
 - (c) a statement certifying that the contribution payments received, and Project expenditures in respect of which they were paid, were in accordance with the Agreement.

REPORTS AND MONITORING

To assist in verifying the Recipient's eligibility and entitlement to the financial assistance provided under this Agreement, the Recipient shall:

- 25. (1) Provide Canada with such other reports concerning the progress of the Project satisfactory to Canada in scope and details, as Canada may, from time to time, request.

(2) Upon request, permit representatives of Canada to have access to the site or sites where the Project activities are being carried out to monitor and inspect the Project activities.

(3) Provide Canada with copies of all reports, studies or other publications, produced by the RECIPIENT in carrying out the Project. In addition, the RECIPIENT shall provide Canada with advance copies of final drafts of such reports, studies or other publications, and subsequent amendments to said reports, studies or other publications.

LICENSE OF INTELLECTUAL PROPERTY

26. The RECIPIENT shall take title to intellectual property including copyright in reports and/or software resulting from this Agreement.

27. The RECIPIENT hereby agrees to grant to Canada a non-exclusive, irrevocable and royalty free licence and right to use, translate, adapt, record by any means or reproduce, except commercial sale in competition with the RECIPIENT, any work subject to copyright which is produced by the RECIPIENT in carrying out the Project. The licence granted under this provision shall be for the duration of the copyright.

28. The licence granted to Canada under section 27 includes

(a) the right to sub-licence the use of the work to any contractor engaged by Canada solely for the purpose of performing contracts with Canada, and

(b) the right to distribute the work outside the Department of Human Resources and Skills Development as long as the distribution does not undermine any commercial use of the work intended by the RECIPIENT.

29. The RECIPIENT shall execute any acknowledgments, agreements, assurances or other documents deemed necessary by Canada to establish or confirm the licence granted under section 27.

EVALUATION

30. Canada may, in its discretion, carry out an evaluation of the effectiveness and efficiency of the Project. The RECIPIENT shall cooperate with Canada in the conduct of any such evaluation. This cooperation may include, but is not limited to, providing Canada or its representatives with access to Project staff and records.

(1) Unless otherwise authorized in writing by Canada, the RECIPIENT shall use a fair and accountable competitive process in procuring goods and services for the Project where the value (including GST/HST) of the goods or services is \$25,000 or more. Where a competitive process is required, the RECIPIENT shall, unless otherwise authorized in writing by Canada, obtain a minimum of three bids or proposals and shall select the bid or proposal offering the lowest cost or best value. The RECIPIENT must not unnecessarily divide an aggregate requirement into a number of smaller contracts to avoid this requirement.

(2) Canada shall exercise its discretion in requiring the RECIPIENT to use a fair and accountable competitive process in procuring goods and services for the Project where the value (including GST/HST) of the goods and services is below \$25,000.

32. All goods or services contracts, regardless of their value, entered into between the RECIPIENT and

(a) an officer or director of the RECIPIENT;

The RECIPIENT agrees to inform Canada of any such proposed contract and to provide a copy of the proposed contract, and such other information concerning the proposed contract, as may be reasonably requested by Canada. It is understood and agreed by the RECIPIENT that the Eligible Costs of such goods or services shall not exceed fair market value. If requested by Canada in writing, the RECIPIENT shall also ensure that Canada has a right of access to the relevant records of the supplying entity for the purpose of verifying the amount of the cost claimed by the RECIPIENT, and Canada is not obliged to consider the eligibility of any such cost unless access to such records is provided.

SUBCONTRACTING

34. The RECIPIENT shall not subcontract the performance of any of its duties or responsibilities in carrying out the Project to a third party without the prior written consent of Canada unless the RECIPIENT has already indicated in the approved Project description, attached as Schedule A to this Agreement, that it intends to use a subcontractor or subcontractors to perform specified duties or activities. In addition, the RECIPIENT acknowledges and agrees that it is not entitled to claim reimbursement for any subcontracting costs unless those costs have been specifically identified and included as Eligible Costs of the Project in Schedule B to this Agreement.

DISPOSITION OF ASSETS

35. The RECIPIENT shall preserve any capital assets acquired with the contribution and use them for the purposes of the Project during the Project Period unless Canada authorizes their disposition.

36. In regard to any assets costing \$1,000 or more that have been preserved by the RECIPIENT, the RECIPIENT recognizes that, either at the end of the Project Period, or upon termination of this Agreement, if earlier, Canada may, at its discretion:
- a) direct that the capital assets be sold at fair market value and that the funds realized from such sale be applied to the Eligible Costs of the Project to offset Canada's contribution;
 - b) direct that the capital assets be turned over to another organization designated or approved by Canada;
or
 - c) direct that the capital assets be disposed of in such other manner as may be determined by Canada.
37. Where a direction is made under section 36, the RECIPIENT undertakes and agrees to comply with such direction.

DEFAULT

38. (1) The following constitute events of default:

- a) the RECIPIENT becomes bankrupt or insolvent, goes into receivership, or takes the benefit of any statute from time to time being in force relating to bankrupt or insolvent debtors;

- d) the RECIPIENT is in breach of the performance of, or compliance with, any term, condition or obligation on its part to be observed or performed pursuant to this Agreement;
- e) the RECIPIENT, in support of its application for the contribution or in connection with this Agreement, has made false or misleading representations or statements, or provided false or misleading information to Canada;
- f) in the opinion of Canada, the RECIPIENT has failed to proceed diligently with the Project, including, but not limited to, failure to meet deadlines or milestones stipulated in this Agreement except where such failure is due to causes which, in the opinion of Canada, are beyond the control of the RECIPIENT;
- g) in the opinion of Canada, there is a material adverse change in risk in the RECIPIENT's ability to carry out the Project.

(2) If

- a) an event of default specified in paragraph (1)(a), (b) or (c) has occurred, or
- b) an event of default specified in paragraph (1)(d), (e), (f) or (g) has occurred and has not been remedied within 15 days of receipt by the RECIPIENT of written notice of default or within such longer period as Canada may allow, or a plan satisfactory to Canada to remedy such event of default has not been put into place within such time period,

Canada may, in addition to any remedies otherwise available, immediately terminate the Agreement. Upon termination of the Agreement, Canada shall have no obligation to make any further contribution to the RECIPIENT.

- (3) In the event Canada gives the RECIPIENT written notice of default pursuant to paragraph (2)(b), Canada may suspend any further payment under this Agreement until the end of the period given to the RECIPIENT to remedy the event of default.

(4) The fact that Canada refrains from exercising a remedy it is entitled to exercise under this Agreement shall not be considered to be a waiver of such right and, furthermore, partial or limited exercise of a right conferred upon Canada shall not prevent Canada, in any way, from later exercising any other right or remedy under this Agreement or other applicable law.

39. (1) Either party may, at any time, terminate this Agreement, without cause, upon not less than three (3) months written notice of intention to terminate.

- b) all Eligible Costs incurred by the RECIPIENT up to the date of termination, not exceeding the maximum amount of Canada's contribution payable under this Agreement, will be paid by Canada, including incidental expenses incurred by the RECIPIENT related to cancellation or cessation of obligation involved in the termination of the Agreement; provided that it is established to the satisfaction of Canada that the costs mentioned herein were actually incurred by the RECIPIENT, and are reasonable and properly attributable to the termination of the Agreement; and
- c) the amount of any contribution funds which remain unspent shall be promptly repaid to Canada.

40. The RECIPIENT shall negotiate all contracts related to the Project, including subcontracts and employment contracts, on terms that will enable the RECIPIENT to cancel same upon conditions and terms which will minimize, to the extent possible, their cancellation costs in the event of a termination of this Agreement. The RECIPIENT shall cooperate with Canada and do everything reasonably within its power at all times to minimize and reduce the amount of Canada's obligations in the event of a termination of this Agreement.

- (3) Canada shall not be liable for any loan, capital lease or other long term obligation entered into by the RECIPIENT in relation to the Project.
- (4) Canada shall not be liable for any injury to or loss suffered by the RECIPIENT or any employee, officer, agent or contractor of the RECIPIENT, including, without limitation, death or economic loss, caused by or in any way related to the carrying out of the Project or to the performance of any of the RECIPIENT's obligations relating thereto under this Agreement.
- (5) The management, supervision and control of the employees of the RECIPIENT are the sole and absolute responsibility of the RECIPIENT. NEPOTISM

59. (1) No cost incurred in relation to, or wages paid to a third party (participant, administrative staff, research subject, or any other party) who is a member of the immediate family of the RECIPIENT is eligible for reimbursement under this Agreement unless CANADA is satisfied that the participation, recruitment or hiring of that third party was not the result of favoritism by reason of membership in the immediate family of the RECIPIENT.
- (2) Where the RECIPIENT is a corporation, a charitable or non-profit organization, an unincorporated association or a business, no cost incurred in relation to, or wages paid to a third party who is a member of the immediate family of an officer or a director of the RECIPIENT, is eligible for reimbursement unless CANADA is satisfied that the participation of that third party was not the result of favoritism by reason of membership in the immediate family of the RECIPIENT or officer or director of the RECIPIENT.

60. The RECIPIENT declares that no bribe, gift, benefit or other inducement has been or will be paid, given, promised or offered directly or indirectly to any official or employee of the federal government or to a member of the family of such a person with a view to influencing the decision of Canada to enter into the Agreement or the administration of the Agreement.

ACCESS TO INFORMATION

61. Subject to the *Access to Information Act*, RSC 1985, chapter A-1, all information pertaining to the contribution provided under this Agreement is public information and may be disclosed to third parties upon request under the *Act*.

PROTECTION OF PRIVACY

(2) All personal information collected by the RECIPIENT must be treated in a confidential manner, and the RECIPIENT must take all measures reasonably necessary, including measures prescribed by Canada, in order to guard this information against unauthorized dissemination or disclosure.

DISPUTE RESOLUTION

63. Canada and the RECIPIENT agree that alternate dispute resolution processes such as mediation, appointment of a neutral third party evaluator or arbitration may be preferable to litigation as a way to resolve disputes that may arise under this Agreement and they agree to give good faith consideration to having to resort to an alternate dispute resolution process before initiating legal or other proceedings to deal with any such disputes.

64. Canada and the RECIPIENT agree that nothing contained in section 63 shall affect, alter or modify the rights of Canada under the event of default provisions in section 38 of this Agreement.

AMENDMENT

65. No amendment of any of the terms or provisions of this Agreement is valid unless it is in writing and signed by both parties.

69. If the RECIPIENT is an unincorporated organization, it is understood and agreed by the persons signing this Agreement on behalf of the RECIPIENT that, in signing this Agreement in their capacity of representatives of the RECIPIENT, they shall be personally, jointly and severally liable for all obligations of the RECIPIENT under this Agreement, including payment of any debt that may become owing to Canada under this Agreement.

ENTIRE AGREEMENT

70. This Agreement, including Schedules A, B, C and D attached hereto, constitutes the entire agreement between the RECIPIENT and Canada with respect to its subject matter and supersedes all previous understandings, agreements, negotiations and documents collateral, oral or otherwise between them relating to its subject matter in the event of conflict.

SCHEDULE A

PROJECT DESCRIPTION

OBJECTIVES

From September 1, 2012 until March 31, 2014, the City of London will support five emergency shelters in the municipality in implementing the Homeless Individuals and Families Information System (HIFIS) through data coordination activities, training and technical support. The emergency shelters are as follows;

Men's Mission and Rehabilitation Centre
Rotholme Women's and Family Shelter
The Salvation Army Centre of Hope (Emergency Female)
The Salvation Army Centre of Hope (Emergency Male)
Unity Project for the Relief of Homelessness

The City of London will work with community partners to better understand the size and characteristics of individuals experiencing homelessness living in emergency and transitional shelters.

ACTIVITIES

The City of London will provide training, technical support and assistance in analysis of HIFIS data to these emergency shelters, as well as any other service providers using HIFIS. This will be accomplished through the following key activities:

- Coordinating the implementation of the HIFIS software, and any subsequent versions or updates, in the five local emergency shelters; includes coordinating the provision of software, hardware and technical assistance.
- Facilitating the signing of the Information Sharing Agreements (ISA) with the emergency shelters and other stakeholders using HIFIS.
- Facilitating data exports from HIFIS users; including providing training on the use of data integrity tools and data cleaning techniques.
- Promoting HIFIS to non-emergency and non-shelter service providers.
- Providing ongoing training and support to HIFIS users; promoting E-Learning tools and using online training options where applicable.
- Fostering buy-in for future HIFIS Community Coordinator (CC) activities with the key housing and homelessness stakeholders in the community.
- Provide relevant updates to the HPS Community Advisory Board (CAB) regarding the HIFIS implementation process.
- Facilitating the development of a HIFIS steering committee; bi-monthly meetings to discuss HIFIS implementation and the use of common data definitions to facilitate consistent reporting.
- Assisting in the analysis of HIFIS data as well as the creation and dissemination of reports.

EXPECTED RESULTS

Outputs:

- HIFIS 3.8 implemented in all five of the emergency shelters in the City of London; shelters supported in transitioning to HIFIS 4.0 as applicable.
- Signed Information Sharing Agreements (ISA) with the five emergency shelters, and any other service provider in London using HIFIS.
- Quarterly data exports from five emergency shelters, and any other organization using HIFIS, received by HPS.
- Shelter/service provider lists provided to HPS on a quarterly basis.
- Regular participation in monthly HIFIS CC conference calls and attendance at one National HIFIS Community Coordinator Workshop per year.
- Promote the use of E-Learning tools and online training to all HIFIS users.
- Assist in the production of municipal level reports on homelessness to be shared with the community
- Produce one final report including a summary of the City of London HIFIS CC project.

Outcomes:

By March 31, 2014, the City of London will have provided training and technical support to new HIFIS users, with a focus on implementing HIFIS in the five emergency shelters in the municipality. Data gathered through HIFIS will be used to create reports relating to shelter use and trends. This information will be shared with the key housing and homelessness stakeholders in the community and the local HPS Community Advisory Board and will be used to improve the services and better understand the make-up and size of the sheltered homeless population and shelter use patterns in the City of London.

DELIVERABLES AND TIMELINES

The following deliverables are required each **quarter**:

- Updated list of shelter/service provider lists using the HPS template

- Quarterly data exports from five emergency shelters, and any other organization using HIFIS, received by the HPS database.
- Training records outlining number and type of training.

The following deliverables are required at the **end** of the project:

- A year end progress report, to be submitted **March 31, 2013** and a final project report to be submitted **March 31, 2014**.

- Regional sustainability plan

Project summary

BENEFICIARIES

The primary beneficiaries are emergency and non-emergency shelters, as well as non-shelter service providers delivering services to the homeless or at risk population in London. Shelters will use data collected to improve their organizations' operational efficiency in order to better serve individuals and families who are homeless or at risk of becoming homeless. The use of HIFIS will also assist key community stakeholders in the City of London to work collaboratively to prevent and reduce homelessness by providing tools for making informed decisions about investing HPS funds in the community.

SCHEDULE B

ELIGIBLE COSTS

1. Subject to the conditions in this section and sections 2 to 6 of this Schedule, the costs set out in the Project Budget below are Eligible Costs for the purposes of this Agreement, subject to change only with CANADA'S written approval. For greater certainty, any costs not specifically listed in the Project Budget shall be ineligible unless authorized in writing by CANADA prior to being incurred. Eligible Costs can be listed or described generically or very specifically but should relate to the contribution options being used. The listing will vary from project to project.

If limits are to be set on contributions to specific cost categories, the listing should include an estimate of the maximum contribution permitted for each cost category.

Where there is a cost sharing with the RECIPIENT or other partners, either on a straight % basis of all costs or with certain costs being funded by one party and other costs being funded by the RECIPIENT and/or other partners, those costs should be clearly delineated on this Schedule.

2. When applicable to the Project, travel, meals and accommodation costs will be reimbursed at rates not exceeding the rates for public servants set out in the Travel Directive of the Government of Canada's Treasury Board.
3. Costs are eligible costs only if they are, in the opinion of CANADA,
 - (a) directly related to the Project activities, and
 - (b) reasonable.
4. (1) Only those costs with respect to which the RECIPIENT has incurred an obligation during the Project Period and received goods and services by the end of the Project Period are Eligible Costs. No costs incurred prior to or following the Project Period are Eligible Costs.

(2) If under the terms of this Agreement, the RECIPIENT is required to provide to CANADA a follow-up evaluation following the expiry of the Project Period and if the cost of the follow-up evaluation is otherwise an eligible cost, the cost of the follow-up evaluation is an eligible cost notwithstanding that it is incurred outside the Project Period
5. The portion of the cost of any goods and services purchased by the RECIPIENT for which the RECIPIENT may claim a GST/HST input tax credit or rebate is excluded from Eligible Costs and not eligible for reimbursement under this Agreement. The RECIPIENT shall, as far as reasonable and practical, take advantage of any GST/HST rebates or input tax credits that may be available to the RECIPIENT.
6. The portion of any cost in respect of which the RECIPIENT has, or is entitled to receive a contribution from another level of government or other source is not eligible for reimbursement.

BUDGET FLEXIBILITY

7. The Recipient may, except in cases specified in section 8, make adjustments to its allocation of funds between any of the expenditure categories identified in the Project Budget without having to obtain Canada's approval, provided the adjustments do not result in an increase to the amount set out in section 10. However, where the Recipient makes an adjustment allowed by this section, it shall notify Canada promptly in writing of the adjustment.
8. The Recipient shall obtain Canada's written approval prior to making an adjustment to the Project Budget that:
 - a) increases or decreases by any amount the subtotal amount budgeted for any expenditure category of the Project Budget identified with an asterisk (*); or
 - b) increases or decreases the subtotal amount of any other expenditure category, by more than 10%.
9. Written approval by Canada of adjustments under section 8 may be required by Canada to be documented by way of a formal amending agreement signed by both parties.

10. The maximum amount of CANADA's contribution in respect of the Eligible Costs of the Project is **\$50,000**.

FISCAL YEAR BREAKDOWN
