BACKGROUND

In 2002, Municipal Council reviewed the various options available to provide the municipal contribution to the affordable housing program, and resolved to provide the following types of assistance to private and non-profit housing developers under the Municipal Housing Facilities By-law, subject to Individual Housing Facilities Agreements:

- a) capital funding through the affordable housing capital reserve fund;
- b) grant to offset development charges;
- c) provision of City-owned land at less than market rates or for lease; and
- d) special municipal agreements for selected properties to reduce the effective property tax for only those buildings receiving program funding.

The attached by-law provides the mechanism enabling the City Treasurer to reduce the assessment and taxes owing on properties qualifying under section d) above for the tax reduction. This property now has an agreement in place, and therefore the by-law has been prepared for execution.
