BOARD

July 16, 2012

Dear Josh,

It is with deep regret that I am writing to inform you that I will need to conclude my term with the London Public Library Board, effective August 2012. Unfortunately, the schedule of meetings conflicts with a Board Level Committee, for which I have primary responsibility in the London District Catholic School Board, the Special Education Advisory Committee.

I have developed a heightened respect for the work of the London Public Library Board, the expertise of the members and the commitment to support exemplary Library Services for our London community. In the same way I have witnessed the passionate and expert leadership of Susanna Hubbard Krimmer and her team. Our community is well served!

Thank you to the Library Board for being able to serve alongside of you. I wish you success with your on-going work.

Sincerely,

Tamara Nugent
Superintendent of Education
