

NOTICE OF PUBLIC INFORMATION CENTRE

THE STUDY

The Upper Thames River Conservation Authority (UTRCA) and the City of London are completing a Schedule B Municipal Class Environmental Assessment (EA) Study through its consultant AECOM. The focus of the study is to review alternatives to manage and improve the Riverview Evergreen dyke (see map). The alternatives include repair and regular maintenance, erosion protection, reconstruction of the dyke, increasing the height of the dyke, extending the dyke upstream, and decommissioning the dyke after voluntary acquisition of properties currently protected by the dyke.

A Public Information Center (PIC) will be held to present an overview of the study and alternative solutions including their evaluation. You will be able to view display boards, speak with study team members and give us your input. The PIC will be a drop-in event and no formal presentation will be made. Details of the PIC are as follows:

Date: Wednesday July 25th, 2018

Place: London Children's Museum (Main Atrium), 21 Wharnccliffe Rd S.

Time: 5:30 pm – 7:30 pm

We would like to hear from you.
