Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Multi-Family, High Density Residential in the Official Plan, and within the Neighbourhoods Place Type in the London Plan. The subject lands are also located within the Old Victoria Hospital South Street Secondary Plan which forms a part of both the Official Plan and London Plan and provides more detailed policy guidance for the area.

The lands are within the High-Rise Residential Designation and Four Corners Designation which permits more intense residential uses within a variety of structure types, and a focal point for the OVH Neighbourhood through a mix of uses at a pedestrian scale.
