Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan and The London Plan, London's long-range planning documents. Both plans recognize the role of secondary plans to provide more detailed policy guidance for a specific area that goes beyond the general policies. The subject lands are also located within the Southwest Area Secondary Plan (SWAP) and within the Bostwick Residential Neighbourhood, which forms a part of both the Official Plan and The London Plan and prevails over the more general policies if conflicting. These lands are currently designated as Multi-Family, High Density Residential, which permits multiple attached housing forms at higher densities and building forms as the main uses.

How Can You Participate in the Planning Process?
