**Subject:** Tricar Tower - File OZ-8874

Dear Planning Committee,

I live in 250 North Centre Road, looking onto Richmond Street. I am concerned about the proposed Tricar Tower. I am disappointed with the latest application:

- the massing has been worsened on the Richmond side, with the increase to 10 storeys from 8 in the previous revision. This is not in accordance with the Committee's direction to the developer.
- The geotechnical report may significantly alter the possibilities for this site. Surely this report should be completed before approval is given to the developer.

I look forward to more attention to the Committee's direction from the developer, and site concerns.

Sincerely,

Robin Whimster
