Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Agriculture, Open Space, and Environmental Review with a Special Policy Area in the Official Plan, which permits a range of farming types, public and private open spaces, and three non-farm dwellings as the main uses.

The subject lands are in the Farmland and Green Space Place Types in *The London Plan* (Council-adopted but not in force and effect), permitting a range of agricultural and open space uses.
