J. M. Fleming
Managing Director, Planning and City Planner

I hereby certify that the Municipal Council, at its meeting held on October 16, 2018 resolved:

That, the following actions be taken with respect to the 10th Report of the Advisory Committee on the Environment, from its meeting held on October 3, 2018:

a) clause 5.1 BE REFERRED to the 2019 Budget process for consideration; it being noted that clause 5.1 reads as follows:

“Municipal Council BE REQUESTED to consider additional funding for the 2019 Forestry Operations budget to allow for further maintenance and watering of existing trees in the City of London; it being noted that the Advisory Committee on the Environment (ACE) received a presentation from A. Beaton, Manager, Forestry Operations with respect to the practices related to the watering of London trees at a past meeting of the ACE; it being further noted that the ACE feels that increased maintenance and watering of existing trees will extend the average tree life expectancy of mature trees in London and potentially achieve London's 34% canopy target;” and,

b) clauses 1.1, 3.1 and 5.2 to 5.4, BE RECEIVED for information. (5.1/15/PEC)
