

Adelaide Street North Municipal Class Environmental Assessment Study

Notice of Public Information Centre No. 1

The City of London is undertaking a Municipal Class Environmental Assessment (EA) Study for the widening of Adelaide Street North according to the recommendations in the City's *Smart Moves Transportation Master Plan* (TMP). The study area includes Adelaide Street North from Fanshawe Park Road East to 350m north of Sunningdale Road East; including Sunningdale Road East from Blackwater Road to Stoney Creek Community Centre entrance. This project is being carried out under the planning and design process for a Schedule C project as outlined in the Municipal Engineers Association's *Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015)*.

Public consultation is a key element of the EA planning process, and the first Public Information Centre (PIC) to share study details with the public is scheduled for:

- Date:** Wednesday, November 14, 2018
- Time:** 5:00 pm – 7:00 pm
- Location:** London Public Library, Stoney Creek Branch
920 Sunningdale Road East
London, ON, N5X 0H5

For those taking London Transit, Route 38 will pass by the PIC location.

The PIC will be held as a drop-in format, where attendees can freely browse the display boards, which will be used to present and obtain feedback on:

- The Municipal Class Environmental Assessment process being followed;
- The study background and existing conditions of the study area; and,
- The Alternative solutions, evaluation criteria and opportunities.

Following the PIC, in consideration of the comments received from the PIC, the project team will select the preferred solution. Afterwards, alternative design concepts will be developed and presented at a second PIC to be held in the spring 2019.

For more information, to provide comments, or to be added to the mailing list, please visit <http://www.london.ca/residents/environment/EAs/Pages/default.aspx> or contact:
