Skills: **Skillset: City management, Municipal & local government affairs, Education & industrial connections, Student affairs, Negotiations, Benchmarking & continuous improvement. System Analysis, IT & MIS, Cyber security-Technology-Policy, L.E.D technologies, Industrial Automation & controls, Road Traffic Surveillance, mass communication and FM Radio setup, transmission & operations. I posses a rich experience working at the highest levels in mega City Management as well as in Local Government department in various capacities. These decision-making roles have provided me with a vast and valuable experience in running the day-to-day large-organization affairs, handling law & order situations, policymaking, negotiations ( labour & officer's unions, development project contracts) , planning, steering, monitoring, financial management, human resource management, inter & intra departmental coordination and relationships with provincial & federal governments.**

Interest reason: **I want to see London as most prosperous, responsive and respected city in Canada hence would like to contribute my diverse experience, exposure and expertise in**

whatever capacity i may offer for the betterment of city we call our home. **With an extensive career in management, municipal administration, human resources, business development, industrial relations, multicultural & diversity, regulatory & compliance, financial management, research and development I feel myself ready to serve as board member where I can deliver value through my experience, technical expertise and operational understanding.**

Contributions: **My professional experience, education, Trainings & certifications place me in a positive position to contribute to the organization through my skillset and experience to achieve its mission and goals. Benchmarking & continuous improvement in public service has been my speciality. My formal educational background is in the field of mathematics and computer science and my experience has been managing public sector large organization. By utilizing my research and analytical skills coupled with management & negotiation expertise I find unique solutions to difficult problems/challenges. I have over three decades of experience in public & private sectors hence I thoroughly understand the working of govt/corporate sector and public perception/expectations from such bodies hence will be useful resource for the organization to assist in drafting policymaking, bylaws, strategic planning an improvement in prevailing practices, processes & procedures to meet with public demands, challenges and expectations.**

Past contributions: **As a semi-retiree, I have proven that I have the commitment and energy to do more than just show up for a meeting and that I can work together with Organization staff, faculty, students, unions, corporate sector, industries, business chambers, law firms, and City council members to add value. I've always actively contributed in work- groups and participated in Advisory committee meetings. My public sector experience has taught me how to responsibly and responsively represent an organization on a forum of another organization and acting efficiently within mandate and roles, responsibilities entrusted. I thoroughly understand how to safeguard the interests of organization at other organization's forum and communicate back & forth for resolution of any problem in a time efficient manner without compromising on programs, procedures & policies. My existing/previous tenure at London City Advisory Committees as follows: 2018 - to date Member at large Transportation Advisory Committee. 2016 - to date Member at large Trees & Forest Advisory Committee. 2012 - 2015 - Member at large Advisory Committee on the Environment - Representative of Advisory Committee on the Environment on Transportation Advisory Committee. During Public Service life: 1989 - 2008 - Chair City Education department (School Board). - Technical Education department at provincial level.**

Interpersonal: **I believe in collective wisdom and intelligence. I've commanded public service organization in a strong unionized and multi culture environment at all levels. Being negotiation specialist my approach towards conflict resolution has been through appreciating and understanding of point views of different groups within an organization, communities, different organizations and stakeholders and then operating in team environment, generating consensus among members of working group belonging to different professions by accommodating and refinement of ideas generated during group meetings. I have achieved success a businessman developing business & markets in highly technical areas. In our business, while designing industrial/office automation solutions or public information/awareness/education systems, work is done in a team environment by relying upon skill, abilities and knowledge of our professional colleagues but we always do give great value and consideration to experiences of our clients to get desired results from the final product/program.**

Interview interest: **Yes**
