London Advisory Committee on Heritage, (LACH)

Re: Property Located at 2332 Main Street, London, Ontario

Dear Chair and members,

Centra Transmission Holdings Inc ("CTHI") owns property in London Ontario located at 2324 Main Street. CTHI's property is directly adjacent to the subject property located at 2332 Main Street. CTHI has been made aware by Mr. Tony D'Oria that DORO Holdings has submitted an application to the city of London to demolish the existing vacant office building and replace it with a new office facility.

CTHI has had discussion with Mr. D'Oria and has reviewed the plans for the property. Please note CTHI fully supports the application for demolition and believes that the plans to construct the new corporate headquarters for ANGTON ELECTRIC will be a significantly positive addition to the streetscape. It is CTHI's hope that you will allow for the demolition so that DORO Holdings can proceed with the construction of a new facility as soon as possible.

If you have any questions please do not hesitate to call me directly at (519) 652-5357.

Sincerely,

Joe Brophy
Vice President & General Manager
Centra Transmission Holdings Inc.
