I believe that input from all levels is important to fully understand the different perspectives. While working for a small business it is crucial that all team members feel appreciated and understand that their views are valued. Our entry level employees, often present a view from the front line that office staff can not. When they feel empowered to voice their suggestions it creates an environment that embraces creative and diverse ideas. This also allows people to take ownership of a situation which often helps smooth the transition when a change is made.**
