Nature of Liaison: City Council intends to consider removing the “h” and “h-173” Holding Provisions from the zoning of the subject lands. The purpose and effect of this zoning change is to remove the holding symbols to allow development of the lands for residential purposes permitted under the Holding Special Provision Compound Residential (h*h-100*h-173*R5-6(9)*R6-5(38)*R8-4(27)) Zone. The purpose of the “h” provision is to ensure the orderly development of the lands and the adequate provision of municipal services. The “h” symbol shall not be deleted until the required security has been provided for the development agreement or subdivision agreement, and Council is satisfied that the conditions of approval of the plans and drawings for a site plan, or the conditions of the approval of a draft plan of subdivision, will ensure a development agreement or subdivision agreement is executed by the applicant and the City prior to development. The purpose of the “h-173” symbol is to ensure that development is consistent with the City of London Urban Design Principles and Placemaking Guidelines. The “h-173” shall not be deleted until urban design guidelines have been prepared and implemented through the subdivision agreement, to the satisfaction of the City of London. Council will consider removing the holding provisions as it applies to these lands no earlier than November 12, 2018.
