Subject: CSC communication

Dear chair and members of the Corporate Services Committee,

I would like to request that the following topics be referred to the first meeting of the Governance Working Group:

1) Council expense restrictions

Since all expenses are posted publicly, is there a need for such a restrictive list of permissible uses?

2) Council policy for debate at standing committee meetings

In order to ensure committee work is done at committee, should non-committee councillors be allowed to participate in the debates?

Sincerely,

Michael van Holst
Councillor Ward 1
