

Advisory Committee Work Plan – 2018

Activity	Background	Responsibility	Timeline	Strategic Plan Alignment
Public Consultation	- Connect with existing community groups and meetings ie: Neighbourhood Associations, BIA's, Home & School Council's, Youth groups etc. to have conversations with residents about their concerns with respect to safety and crime prevention - Collate conversation responses to determine themes - Make recommendations based on findings - Survey Community and Neighbourhood associations to find out what types of safety initiatives may be in place, what's working well and what could be replicated (ie: Neighbourhood Safety Plans, Survey Tools already in place, completed Safety Audit results) - Promote Safety Audits	CSCP	Ongoing	Strengthening Our Community/Leading in Public Service
Work collaboratively with existing initiatives	- Identify current local initiatives that align with this committee and determine synergies for working together ie: London Strengthening Neighbourhoods – Neighbourgoodlondon.ca, (Safety Audits), Age Friendly London (AFL), Neighbourhood Watch London, Children's Safety Village, Active and Safe Routes to School, City of London Neighbourhood Children and Fire Services, etc. - Include Youth Advisory Council representation as a voting member on CSCP	CSCP	Ongoing	Strengthening Our Community
Enhance walking routes for all ages	- Using results from Neighbourhood Safety Audits, CSCP public consultation conversations, and work from ASRTS and AFL provide recommendations for reducing speed limits in school zones. - Neighbourhood Safety Audits, Active and Safe Routes to School and Age Friendly London (Outdoor Spaces and Transportation Working Groups) survey results and results of public consultation will be used for input on the reduction of speed limits in school zones, speed limits in school zones - Review intersection and road crossing times to ensure they reflect the demographics of the area; Implementation of the 3 "E's" – Engineering; enforcement and education	CSCP/NW/ASRTS/AFL/ City of London (Neighbourhood Watch/ Active & Safe Routes to School/ Age Friendly London)	Ongoing	Leading in Public Service
Bicycle Safety	- Collaborate with the Cycling Advisory Committee to promote public awareness of legal bicycle and rider feature requirements - Contact local business owners to assist with this initiative	CSCP/CAC	Ongoing	Strengthening Our Community

Community Outreach	• Work with local media to profile Community Safety and Crime Prevention Issues which may include: London Fire Services, London Police Services, Neighbourhood Watch London, Thames Valley Children's Centre and the Middlesex-London Health Unit on their initiatives and activities to increase public awareness • Connect with Family Centres and Community Hubs to develop a communications relationship • Invite Emergency Medical Services, the London Youth Advisory Council and student representatives to participate on the CSCP Committee • Re-issue invitations to participate on CSCP	CSCP	Ongoing	Strengthening Our Community
Mental Health	• Obtain information from community mental health agency representatives regarding local mental health initiatives • Contact Canadian Mental Health Association for information • Request results from October 2017 Strategic and Visioning Action Strategy • Identify supports for vulnerable people and gaps in services	CSCP	Ongoing	Strengthening Our Community/Leading in Public Service
Implement Community Safety Week	• Organize City of London Community Safety and Crime Prevention Week again in 2019 • Partner with Emergency Preparedness Week	CSCP/City of London	May 2019	Leading in Public Service
Children's Safety Village	• Request that the City, including Police and Fire Services and Emergency Medical Services support the Children's Safety Village to provide full programming to serve all children and ensure continued viability	CSCP/CSV/TVDSB/LDC SB/CAPS/LFD/LPS/EMS	Over one year	Strengthening Our Community/Leading in Public Service
Booster Seats/Child Restraints	• Support and promote public awareness and education campaigns and programs about the need for booster seats for safe travel • Use and promote messaging that supports "safety first" over all other factors • Explore other partnerships to educate and promote awareness and increase proper usage ie: car dealerships, Ministry of Transportation, and Canadian Tire • Actively Support child restraint initiatives promoting proper use of booster and car seats	Child Safety Middlesex London/Family Centres/CSCP	Over one year/ongoing	Leading in Public Service
CSCP Budget Review	• Review the CSCP budget and related process for expenditures	CSCP	Annually	Strengthening Our Community/Leading in Public Service
