

## Wonderland Road Improvements Notice of Public Information Centre

The City of London is undertaking a Class Environmental Assessment (EA) process to plan for long-term improvements to the Wonderland Road corridor, from Sarnia Road to Southdale Road. Wonderland Road is a critical north-south corridor in the City, with a variety of neighbourhoods, businesses and other uses along the road. This study is recommending Wonderland Road be widened to six lanes, as well as providing various improvements to how pedestrian, cyclist, transit and other users should be accommodated along the corridor.

Two drop-in Public Information Centres will be held on **Wednesday, January 30 and Thursday, January 31**, as outlined below. The purpose of the information sessions is to share the rationale and vision for six lanes on Wonderland Road, and gather public feedback. The same information will be shared at both sessions.

The project team will consider public input as the design for the recommended widening is developed in the coming months.

Public Information Centre 1		
<b>Date:</b>	Wed. January 30, 2019	Thurs. January 31, 2019
<b>Time:</b>	4 p.m. to 7 p.m.	4 p.m. to 7 p.m.
<b>Location:</b>	Civic Garden Complex 625 Springbank Drive, London	Bostwick Community Centre 501 Southdale Road .W, London
<b>Format:</b>	Informal drop-in session	

Your feedback is important to us and we want your help in designing the Wonderland Road of the future. If you are unable to attend either session, visit the project website after January 30 to review the materials presented, provide your input and/or request to be added to the mailing list. Feedback can also be provided to either of the study team members listed below.
