

SoHo Thames Valley Corridor Project

Date January 8 2019

For: Cycling Advisory Committee

From: Eric Conway, Project Coordinator, Environmental and Parks Planning

Kathryn Preston, Associate, Dillon Consulting Limited

Introduction to Project

This project is a major component of the redevelopment of the Old Victoria Hospital Lands (OVHL). The site is generally bound Wellington Street to the west, South Street to the north, Maitland and Colborne Street to the east and the South Branch of the Thames River to the South. Much of the site was part of the OVHL that plans for residential intensification along South Street and throughout the community.

Project Site

Goal

Create a park system along the north side of the Thames River throughout the SoHo Community.

Supporting Background Studies

Geotechnical Reports (establishing the long term stable slope and erosion access allowance)

Record of Site Condition (reviewed past uses and contamination surveys)

Environmental Impact Study (includes recommendation for woodland buffers)

Planning and Cycling Context

This project is a product of the Soho Community Improvement Plan and the Old Victoria Hospital Lands Secondary Plan (2014). Lots of public engagement opportunities were facilitated to help identify the long term redevelopment opportunities for the area. Wellington Road is identified as a Rapid Transit Corridor. Nelson Street is a signed east-west bicycle route and Colbourne Street has bicycle lanes. The Thames Valley Corridor continues to the west of the site and connections with Harris Park and
