### 1.1 Background and overview

Internal Audit's objective is to provide an independent, objective assurance and advisory service designed to improve the City of London's operations and support the City of London in the achievement of its objectives.

Internal Audit's work is performed in accordance with the Institute of Internal Auditors International Standards for the Professional Practice of Internal Auditing.

Our overall objectives in executing the proposed 2019 internal audit plan include the following:

- Assist the City's Audit Committee and Senior Leadership Team (SLT) in fulfilling their oversight responsibilities; and
- Provide independent, objective audit and advisory services designed to add value and improve the effectiveness of the City's control, compliance and governance processes.

#### 1.2 Internal Audit universe

The current internal audit risk universe includes the functions, processes, systems and strategic initiatives covering the City of London's operations as identified in 2017 when the 2017-2018 Internal Audit Plan (see Appendix I)was developed.

- The following reviews have been completed as of February 2019:
  - Management compensation process assessment
  - Procurement process assessment
  - Building permit process assessment
  - Freedom of Information process assessment
  - Homeless prevention process assessment
  - Parks & Recreation cash handling review
- Internal Audit will be refreshing the current Internal Audit Plan with the feedback and insights of Management and the Audit Committee between February and April 2019. Updates to the audit universe will be identified and completed during this process as well.

#### 1.3 Internal Audit plan refresh approach

Our Internal Audit plan refresh approach consists of the following five steps.

01

# Provide overview of IA planning process to leadership

Attending the SLT meeting to provide an overview of the 2019-2022 Internal Audit plan refresh process.

04

Continuous refinement of draft 2019-2022 IA Plan and submission to Audit Committee Continue to refine the draft plan as input is gathered and submit the final draft to the Audit Committee.

02

# Individual meetings to gather input on 2019-2022 IA Plan

Meet with each member of the Audit Committee and SLT to gather input for the 2019-2022 Internal Audit plan. 05

# Present draft 2019-2022 IA Plan at Audit Committee meeting for approval

The final draft of the 2019-2022 is presented to the Audit Committee as a convened meeting in April 2019.

03

# Review draft 2019-2022 IA Plan with key City stakeholders

Walkthrough the draft plan with the Managing Director, City Treasurer, Audit Committee Chair, and City Manager (stakeholder). Solicit feedback from the SLT.

#### 1.4 Areas for discussion in developing the Internal Audit Plan

In developing the 2019-2022 Internal Audit plan, the following discussion items will be covered in the individual stakeholder meetings.

1

Walkthrough of Summary 2017-2020 Audit Plan by audit universe area 2

Are you comfortable with the proposed audit scope for each review tagged to your area of responsibility in the audit universe?

3

Are you comfortable with the proposed audit scope for each review outside of your area of responsibility in the audit universe? Any changes at this time?

4

What are the main risks the City is currently facing / initiatives currently underway or undertaken by the City?

5

What areas do you think would gain the most value from having an Internal Audit review?

### 1.5 Proposed timeline to develop the 2019-2022 Internal Audit plan

The proposed timelines to develop the 2019-2022 Internal Audit plan culminate in a presentation to the Audit Committee in April 2019.
