Subject: Request for delegation - re: Summerside traffic-calming measures

Dear Councillor White:

Thank you for taking the time to speak with me this morning.

I am writing to request a delegation; I am interested in presenting information to the committee regarding much-needed traffic-calming measures in the Summerside Community. Proposed, permanent, traffic-calming measures include - but are not limited to the following examples:

(a) a minimum of four posted children playing signs in each direction (North and South) on Meadowgate Blvd. (between Evans Blvd. and McNeil Road)

(b) reduced speed limit in the area - from 50 km/h to less than or equal to 40 km/h

(c) a minimum of four posted speed limit signs in each direction (North and South) on Meadowgate Blvd.

(d) a four-way stop with a flashing stop light at the intersection of Meadowgate Blvd. and Chelton Road

(e) Pedestrian Crossing pathway and signage at each corner - as well as Children Playing signs located mid-block - around the perimeter of the Meadowgate Park/Playground located at Meadowgate Blvd. and Darnely Blvd.

(f) a minimum of two posted speed limit signs in each direction (East and West) on Chelton Road (between Commissioners and Meadowgate Blvd.)

(g) a minimum of two posted Children Playing signs in each direction of Chelton Road

(h) traffic-calming speed-humps with accompanying signage all along Meadowgate Blvd. and Chelton Road

(i) posted School-Zone signs at appropriate areas near the elementary- and high schools

Thank you for your attention and your assistance in this important matter of maintaining the safety of the families in the Summerside Community.

Sincerely,

Renee
