

Committee: **Middlesex-London Health Unit Board**

Name: **Kurt Holman**

Address:

**367 Seddon Rd.
London, ON
N5Z 5E3**

Day telephone:

Residence telephone:

Occupation: **I.T. Manager**

Work experience: **In the last fifteen (15) years, I have worked in the Information Technology (I.T.) sector. I have held various junior and senior positions, most recently becoming an I.T. Manager for Vanguard, an international Pharmaceutical company.**

Education: **Graduated from Lambton College in 2003 by completing the 3 1/2 year Computer Engineering Technology Program. Since 2003, I have also been certified with various industry certifications such as Microsoft Certified Professional (MCP), Microsoft Certified Systems Engineer (MCSE) and Information Technology Infrastructure Library (ITIL) version 3.**

Skills: **With my years of experience in I.T., and helping the local community, I am able to adopt to change very rapidly and deal with unexpected "road blocks" if they occur. Being a member of volunteer organizations and community social clubs, I can also gauge what is on the mind of the citizens of London.**

Interest reason: **As a citizen of London, I am impressed with the city, the various cultures, the "small town" feeling felt with many Londoners. With this positive first impression, I would like to give back to the community and help improve it and help make it even better.**

Contributions: **I believe I can make an excellent contribution because I take the time to meet and talk to various Londoners, from all walks of life, and attend various London improvement functions that I could pass on to this board.**

Past contributions: **Have volunteered for various organizations such as the Forest Kiwanis Club and as a Sacred Heart Church youth group leader in Sarnia. Currently a member of the London Young Professionals Group and a member/volunteer of the London based, Emerging Leaders.**

Interpersonal: **Living in Canada and knowing we live in a free, open and diverse country, I am appreciative and understanding with other people's point-of-view. Working and training in I.T. and doing community work, I have encountered and respect the skills, abilities and knowledge of other people.**

Interview interest: **Yes**
