Heather will you please add this mail to the planning agenda on the 26/nov

To the members off the planning committee.

To the CEO of the corporation of the City of London.

Re: Z-8065 past and future costs.

754 Maitland st case to the OMB will bear some cost.

Cost for Kapland inc.

Cost for the CITY OF LONDON.

As a tax payer in this city ,

I would like the city to collect and report all the time and money spent on their behalf fighting this case and please make the information public.

It will be interesting to see how **much of tax money** is spent, preventing intensification and preventing increase tax assessments and taxes.
