Dear Mr. Parker:

Re: File 11 NEI e b – Beaufort/Irwin/Gunn/Saunby/Essex Street  
BIGS Neighbourhood Plan

We have been a resident of Cedar Avenue for 17 years. We would like to inform you of our concerns regarding the proposed intensification of this particular area, as well as the proposed Urban Village idea. I would also like to point out that my wife and I were not informed of this plan. We were told by a neighbor recently, but aside from that had no knowledge.

After a quick review of the Planning for an Urban Village document, we were able to identify incorrect information. Page 63 (5. Appendix), for instance, states that all four river front properties are not owner occupied. This information is **not correct**. These four houses are occupied by permanent residents who are their respective owners. We would like to express our disagreement with the Detailed Urban Village Design Plan because it is based on incorrect information. We are opposed to this (Draft Neighbourhood Plan) and request that the zoning for our neighbourhood remains unchanged.

Sincerely,

Jackson and Rozane Carvalho
