I believe that I bring a high level of knowledge/experience to the committee and am able to share what trends in crime/safety issues our community is currently facing. Through Victim Services I am always providing public education in regards to safety planning, injury prevention, victimization/revictimization prevention tips etc. I am used to working along side other agencies such as police, social services, community programs etc in an attempt to create a safe/healthy community. I have a strong understanding of what goes on in our city, the issues it faces in regards to crime/victimization and what can be done to best support our community.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I sit on various committees in the London/Middlesex area that help keep our communities safe- these include the London Coordinating Committee to End Woman Abuse, the Middlesex Rural Alliance to End Violence Against Women, the Middlesex Situation Table, the High Risk Domestic Violence Committee for Chippewa, Munsee and Oneida, Elder Abuse London Middlesex, the Oneida Anti Human Trafficking Committee and more.
