How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

To continue to do research on how to improve designs to make it more cycling friendly, while still respecting other modes of transportation.

Working out tasks which can be done in the short, mid and long term.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I am an CAN-Bike Instructor, instructing students (children and adults) different levels of cycling skills. From how to ride a bicycle, to riding on the road with confidence and more, allowing with safety, rules and laws to be a vehicle on the road.

I attend most of the Public Information Centres with a lens on how to make it more attractive and safer for Active Transportation, while still recognizing that there is a limit that can be done.

I've studied CycleON: Ontario's Cycling Strategy, Ontario Traffic Council Book 18: Cycling Facilities, London's Transportation Plan, London's Plan, London's Master Plan, other with other cities.
