Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (maximum 750 characters, attach an extra sheet if you need more space)

I am currently a member of AWAC (August 2016 - May 2019) in good standing with active attendance at both committee as well as subcommittee. I was satisfied that we were able to tackle most of the work plan in full as well as addressing new items as presented to the committee via public request, staff and/or council request. Joining AWAC mid-term, I caught up quickly and was eager to dive in to the work in progress.

What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I am excited to apply for the Housing Advisory Committee as I feel passionate about becoming more informed about housing issues, legislation, social & affordable housing and initiatives. I look forward to the wealth of knowledge I will be able to learn if serving on this committee and know the time commitment involved in being an active member of an Advisory Committee. Should I be appointed, I will take an active role as I have with AWAC and be a contributing member, keen to research and study to keep myself well informed and communicate with other members. I hope that as I enjoy researching and reviewing detailed and lengthy documents and have a fair grasp of such, I will prove to be an asset.

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I have excellent time management skills, am an active participant in all volunteer opportunities I choose to engage in and have a flexible schedule. During my time serving on AWAC over the last three years, I've increased my researching skills and have been able to speak knowledgably in presentations to both the committee as well as civic administration. I work well with large or small groups as well as independent study. I will continue to attend meetings & subcommittee meetings regularly and work on my own time outside to support any and all projects that require such.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I have owned a small business in London for the past twelve years handling all aspects of mid level management; accounting, human resources, filing varied government forms, scheduling, advertising and striving daily to create an inclusive and pleasant workplace. In the community, I am an active volunteer with the London Central Lions Club where I have been fortunate to chair committees and fundraisers taking a leadership role and ensuring all aspects of our projects are completed efficiently.
