Requested Zoning By-law Amendment

To extend the existing Temporary Use (T-74) Zone to allow for the continuation of the existing golf driving range facility on the subject lands for an additional three (3) years. Changes to the currently permitted land uses and development regulations are summarized below. The complete Zoning By-law is available at london.ca/planapps.

Current Zoning

Zone: Urban Reserve Temporary Use (UR6/T-74)) Zone

Permitted Uses: A range of pastoral and existing industrial uses, conservation, and passive recreation uses, as well as a golf driving range facility for a temporary period not exceeding three (3) years.

Requested Zoning

Zone: Urban Reserve Temporary Use (UR6/T-74)) Zone

Permitted Uses: The continuation of the existing golf driving range facility use on the subject lands for an additional three (3) years in addition to the full range of uses in the Urban Reserve Temporary Use (UR6/T-74)) Zone noted above.

Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Agriculture and Environmental Review in the 1989 Official Plan, which permits agricultural uses such as the cultivation of land and livestock operations as the main uses, though also contemplates existing residential uses.

The subject lands are in the Farmland and Green Space Place Types in *The London Plan*, permitting a range of agricultural and recreational uses associated with the passive enjoyment of natural features, but also allows for residential dwellings on existing lots of record.
