Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (maximum 750 characters, attach an extra sheet if you need more space)

I have been reviewing policies related to animal welfare and local housing for individuals in lower income situations, and have work experience related to individuals on ODSP, and low income housing as a support worker in the Middlesex community. I have lived in London Ontario for 29 years and have continuously researched housing pricing, land development and other policies related to London's demographic for future growth. I have a passion for land and forest agricultural and as the forest city I take pride in supporting local groups through private contributions.

What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I have a keen interest in animal welfare and have a passion for advocating for individuals in need. I hope to assist in enhancing the quality of life of the community with my hardworking passion for leading with an inclusive approach. I hope to learn more policies and contribute new ideas to the community of London Ontario in the most beneficial way.

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I will provide a fresh perspective on programming issues with a nonbiased approach. I hope to discuss issues and improvement throughout the city with a passion for learning new skills that will benefit the community I call home.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I have experience working in the London community for over 15 years, and have a diverse perspective from working with a large population of Londoners with a wide range of individuals' outlooks. I have volunteered at local clean ups, and have always advocated for animals and individuals in need. I have a strong determination for learning new skills and have been researching legislations related to animal welfare, housing, and foresting development in the London area.
