## Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (maximum 750 characters, attach an extra sheet if you need more space)

What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space) As someone who has worked with youth in the city for the many years, I hope to contribute a positive voice in steering the city's continuing push toward a family/ child friendly city of London. I have watched, as a parent and an educator, initiatives take shape in neighbourhoods throughout London and am keen on contributing my own thoughts on improving these initiatives, as well as, learning more about how the city makes decisions to create better services and programming for our children.

My work as a child care worker, teacher and principal all would assist me in contributing toward these ideas and goals. I have worked in many neighbourhoods, and have a great deal of experience, in particular , working with newcomer families and children that live in poverty. I am recently retired so there would not be any conflict of interest.

# **Application for Appointment to City of London Advisory Committees**

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space). To support any committee requires a collaborative spirit, and a commitment to further the group goals and aims. I understand the need for transparency that is part of any government committee. My professionalism and dedication to the needs of children throughout my career would further support any work undertaken by this group.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

Over the last few years, I have been Chair of Sunfest, Chair of the MS Society, Chair of the Brickenden Committee, and member of the London Urban Bee Co operative. I have also worked on mental health initiatives with MiUnderstanding , the child advocacy group here in London. I have training in Bridges out of Poverty, and have worked as a principal for 17 years, and a teacher for 13 years before that time. All of these experiences provide me with a broad lens of both London itself, and more importantly, the families that live here.
