What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

Having lived in London for over 30 years, I hope that my experiences in the city as a volunteer (Leads Employment Services, Scouts Canada, Canadian Blood Services) will help contribute to discussion on any of the Advisory Committees. Moreover, I have applied to other volunteer positions in London in the past, so I hope to learn more about process and how community volunteers can positively impact our city.

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I am a dedicated worker. I have sat on various committees within operational & governance boards, so have a sense of performing the work needed at the committee level. I am familiar with understanding and working within terms of references to achieve the required duties of any committee.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I am a father of two. My wife and I both work in community-centred organizations; her with Children's Aid, and myself with London Health Sciences Foundation. Currently completing my MBA, I currently sit on the Leads Employment Services Board of Directors and have previous board/committee experience. I believe my skills combined with my commitment to a better London will be an asset to any Advisory Committee.
