### Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (maximum 750 characters, attach an extra sheet if you need more space)

This is my second period of work with the Environment And Ecological Planning Commitee of the City of London, since March 1, 2015, when I began my participation in this committee. I believe that as a professional and neighbor of this beatiful city, it is necessary to participate in the design and execution of policies that seek the best management of natural resources that the city of London has.

What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I want to contribute supporting about the urban forest. I want to show the importance in relation to the enviroment ant the community. To emphasize on forest management of conservation areas as an option for sustainability. On tyhe other hand, I am interested in meeting people, to know interesting places and trating in environmental and ecological issues.

## Application for Appointment to City of London Advisory Committees

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I will support the work through the technical opinions on the urban forest, for this, it is necessary the field visits and the evaluation of the technical documentation of support. In addition, I want to participate in the program of activities of the committee.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I am expert in the forest management in conservation areas. I have worked and trained in Mesoamerica (Mexico, Belize, Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica And Panama). I have a great experience in the elaboration of Master Plans, Inventories, and management forest Plans. In addition, I have a Master Degree in Project Management which has allowed me to develop, manage and execute projects on the natural resources. On the other hand, I would like to develop projects in my community with the support of the city of London would be fantastic.
