Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (maximum 750 characters, attach an extra sheet if you need more space)

No, not at this time.

What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I hope that I will be able to contribute the health and welfare of the City of London's trees and urban forest, in order to help see that they continue to provide benefits for the citizens of London. With my education on these benefits, as well as the risks and drawbacks of unhealthy urban trees, I feel that I will be able to contribute information and informed opinions as a part of the Trees and Forests Advisory Committee.

Application for Appointment to City of London Advisory Committees

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I will support the work of the advisory committee by sharing the knowledge I have acquired through my education to the best of my ability.

I am very familiar with urban forest management plans, as well as many best management practices for urban trees. I feel that with this knowledge, I will be able to make a positive contribution to both the advisory committee and to the city as a whole.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I am currently a Master of Science candidate at the University of Western Ontario, where I am studying Biology with a Collaborative Specialization in Environment and Sustainability.

I recently graduated from the University of New Brunswick, First Division, with a Bachelor of Science in Forestry degree (BScF), major in Urban Forestry. I also have an Ontario College Diploma from the Urban Forestry Technician Program at Fleming College, where I was on the President's Honour Roll (student with the highest average in their program).

I also worked at the International Society of Arboriculture headquarters as an ISA Fellowship Intern. Here, I worked in the educational goods and services department, creating educational resources for arborists.
