#### **1. Policy Statement**

The City of London Urban Design Awards Program is intended to recognize, celebrate and inspire design excellence in the City of London. Awards will be granted for exceptional projects that represent visionary thinking and “raise the bar” for design excellence in London.

Urban Design Awards will be granted once every two years. City Planning will be responsible for administering this program in accordance with the Terms of Reference.

At the conclusion of the Awards process, a ceremony will be held for the purpose of recognizing and celebrating winners of the Urban Design Awards and for promoting the urban design agenda in the community as a whole.

The winning submission(s) of the London Urban Design Awards will be automatically submitted to the RAIC (Royal Architectural Institute of Canada) National Urban Design Awards program, which are held in the year between of the biennial London Urban Design Awards. This will be an opportunity for local developers, architects, urban designers, as well as the City to showcase their developments and compete for Urban Design Awards at the national level.

#### **2. Definitions**

Not applicable.

#### **3. Applicability**

Projects are eligible for an Urban Design Award where they are developed up to 5 years prior to the awards year. Submissions for Awards can be submitted by a project owner, a member of the team that is associated with the project, a member of Council, a member of municipal staff, or a member of the general public. To be eligible for an Award, submissions must be received by the City of London City Planning office within the prescribed deadline date and all entries must meet submission requirements. It should be clear that public projects, including those developed by the City of London, are eligible for awards.

#### **4. The Policy**

##### **4.1. SUBMISSION REQUIREMENTS**

Submissions will only be accepted where they meet the following requirements:

- An abstract of the project is provided to explain its design qualities and how this project significantly adds to the quality of the public realm in London. The abstract should also touch on those items that are outlined in the relevant awards category descriptions below (Section 4.5). This abstract is to be provided in the electronic format specified by the City.
- Two display boards maximum (sizes will be specified).
- A photo slide show, not exceeding 50 photographs, illustrating the design qualities of the project described in the abstract. This slide show is to be provided in the electronic format specified by the City.

These submissions will allow for submissions to be presented on the City's web site, and also allow for innovative display techniques for the awards ceremony and circulation of the awards.

All materials submitted to the City of London become property of the City of London and will not be returned to the applicant. Furthermore, submission of materials implies consent for the City of London to disseminate such materials at the sole discretion of the City.

#### 4.2. AWARDS PROCESS

A call for submissions will be issued in spring of an Awards year. City Planning will engage in a rigorous process to raise awareness in the community that the City has issued a call for Urban Design Awards submissions. This may include, but is not limited to, advertising in newspapers, use of the City's web site, mail-outs to members of the design, architecture, landscape architecture, planning, and development industry. It may also include other vehicles, such as the preparation of a poster or other such materials, to raise awareness of the Awards, and the agenda for urban design excellence in London.

Judging of the projects will occur in summer of the Awards year. This will allow for judges to view projects including vegetation in a state of full bloom. The jury will compile a short list of projects from amongst the entries submitted. City Planning staff will arrange for the jury to visit the sites of the projects on the short list.

It shall be at the sole discretion of the jury to determine whether or not Awards will be recommended in any or all of the awards categories in a given year. A maximum of 5 urban design awards will be granted, except in exceptional circumstances. Awards will be granted in autumn of the Awards year.

City Planning staff will disseminate information relating to the award winning projects through the use of various mediums, including, but not limited to: web site posting, posters or other publications relating to the next design awards call for submissions, displays in prominent public spaces, etc.

#### 4.3. AWARDS PRESENTATION

Awards will be presented to the Urban Design Award winners at a ceremony, which may combine other activities intended to advance the agenda for urban design excellence in London. Those earning honourable mention will also be congratulated at this ceremony. Two awards will be given to each award winning team. Additional awards can be ordered by winners for additional members of the team, at a cost to the winners which covers the expense of the City purchasing these awards.
