

<b>TO:</b>	<b>CHAIR AND MEMBERS CIVIC WORKS COMMITTEE MEETING ON JUNE 18, 2019</b>
<b>FROM:</b>	<b>KELLY SCHERR, P.ENG., MBA, FEC MANAGING DIRECTOR ENVIRONMENTAL &amp; ENGINEERING SERVICES AND CITY ENGINEER</b>
<b>SUBJECT:</b>	<b>AWARD OF TENDER 19-64 MILL AND OVERLAY OF VARIOUS CITY STREETS IRREGULAR RESULT</b>

<b>RECOMMENDATION</b>
-----------------------

That, on the recommendation of the Managing Director, Environmental & Engineering Services and City Engineer, the following actions **BE TAKEN** with respect to the award of contract for the Mill and Overlay of Various City of London Streets:

- (a) The bid submitted by Dufferin Construction Company at their tendered price of \$760,875.00, (excluding HST) **BE ACCEPTED**, it being noted that the bid submitted by Dufferin Construction Company was an irregular result (only one bid received), however, was below the estimated expenditure and meets the City's specifications and requirements in all areas;
- (b) That the funding for this project **BE APPROVED** as set out in the Sources of Financing Report attached hereto as Appendix 'A';
- (c) Civic Administration **BE AUTHORIZED** to undertake all the administrative acts that are necessary in connection with this appointment;
- (d) Approval hereby given **BE CONDITIONAL** upon the corporation entering into a formal contract or having a purchase order, or contract record relating to the subject matter of this approval; and,
- (e) The Mayor and City Clerk **BE AUTHORIZED** to execute any contract or other documents, if required, to give effect to these recommendations.

<b>2019-2023 STRATEGIC PLAN</b>
---------------------------------

The following report supports the Strategic Plan through the strategic focus area of Building a Sustainable City by improving mobility for Londoners.

<b>DISCUSSION</b>
-------------------

**Purpose and Description**

The purpose of this report is to recommend the award of a tender for repaving of various city streets as per the City of London's Procurement of Goods and Services Policy. This report is required because the contract award is an irregular result as a result of receiving one tender submission.

The ongoing management of roads assets is guided by field observations and monitoring. Every year, repaving in response to recent accelerated pavement deterioration is required at various locations across the transportation network. This

program typically addresses short sections of road. The work locations are variable based on local conditions and recent pavement deterioration. The contract tender items include pavement rehabilitation work such as asphalt milling and paving operations for typical road sections.

**Purchasing Process**

The City issued a tender through Bids and Tenders for the Mill and Overlay of Various Streets which closed Friday May 24<sup>th</sup>, 2019.

One (1) bid was received from Dufferin Construction Company. The submission was reviewed by staff from Purchasing and Supply and Road Operations and Forestry to ensure compliance to the tender requirements. The bid met the City’s specifications and requirements in all areas. The results are within the estimate for this work and are comparable to other recent competitive tenders.

<b>CONCLUSION</b>
-------------------

It is recommended that the contract be awarded to Dufferin Construction Company as an irregular result in accordance with the Procurement of Goods and Services Policy. The award of this contract helps the City respond to changing road conditions.

**Acknowledgements**

This report was prepared by John Parsons, Road Operations & Forestry and Ian Harris, Purchasing and Supply.
