Town of Innisfil
c/o Gaelen Pierce, Planner
2101 Innisfil Beach Road
Innisfil, Ontario L9Z 1A1

Dear Mr. Pierce

Thank you for your fax dated May 21, 2019. We are pleased to learn that the Town of Innisfil will be using the City of London's 2007 Facility Accessibility Design Standards (FADS) as a design aid and guide. It should be noted that the City of London is currently revising the 2007 FADS document to incorporate the changes made to the OBC and the AODA in 2014 regarding accessibility.

The City of London continues to encourage and support municipalities and private sector organizations in their barrier-free endeavours and in working together for the removal of barriers in our communities. Please accept this letter as authorization to adapt FADS for your use and do not hesitate to contact me should you require additional information.

Sincerely,

Tim Wellhauser
