BACKGROUND

Purpose

The purpose of this report is to seek approval to proceed with an Amending Agreement to extend the current Purchase of Services Agreement between the Corporation of the City of London and the London Economic Development Corporation to December 31, 2019.

Background

The London Economic Development Corporation (LEDC) was established as a result of the April 21, 1998 Memorandum of Understanding regarding a proposed public-private economic venture between the Corporation of the City of London and the London Economic Development Corporation.

The LEDC is governed by a 15 member Board of Directors. The Mayor is a member of the Board and sits on the Nominating Committee. Both the CEO of the Chamber of Commerce and the City Manager are ex-officio members.

LEDC is funded through a Purchase of Service Agreement between the Corporation of the City of London and the LEDC. This Agreement sets out the services to be provided, payment and schedule of payments, governance structure as it relates to the City and annual reporting to Strategic Priorities and Policy Committee, as well as ongoing liaison.

DISCUSSION

The current Purchase of Services Agreement between the Corporation and the LEDC, attached as Appendix B, was approved by Municipal Council on June 10, 2015. The term of this Agreement, as outlined in Section 1, is from July 1, 2015 to June 30, 2019, subject to renewal by agreement of both parties.

Civic Administration and the LEDC have been working collaboratively to develop the terms of a new Purchase of Services Agreement regarding the delivery of economic development services, however, additional time is required to finalize key details, including:

- services being purchased and provided;
- governance and ongoing liaison; and,
- metrics and targets that will form the basis of LEDC's annual report to Council.

Given the additional work that is required, it is recommended that the following amendments, as referenced in the Amending Agreement attached as Appendix A, be made to the 2015-2019 Purchase of Services Agreement between the Corporation and the LEDC:

- Section 1 of the Agreement is amended by deleting the current termination date of "June 30, 2019" and replacing with "December 31, 2019."
- Section 9 of the Agreement is amended by adding the following new clause "and \$1,098,000 plus HST for the 6-month period from July 1, 2019 to December 31, 2019," after the clause "June 30, 2016, 2017, 2018 and 2019."

This will allow sufficient time for Civic Administration and the LEDC to finalize the above-noted items and bring forward a new proposed Purchase of Services Agreement for Council's consideration in advance of the December 31, 2019 termination date.

This Amending Agreement is in accordance with the City of London Procurement of Goods and Services Policy, Section 20.3 (e) Contract Amendments. This section affords the municipality the ability to amend existing contracts where:

- No amendment to a contract shall be made unless the amendment is in the best interest of the City.
- No amendment that changes the price of a contract shall be agreed to without a corresponding change in requirement or scope of work.
- Amendments to contracts are subject to the identification and availability of sufficient funds in appropriate accounts within the City Council approved budgets including authorized agreements.
- City Council must authorize contract agreements when the total amended value of the contract will be greater than the administrative (Managing Director) approval threshold.

FINANCIAL IMPACT

There is no new funding being requested as a result of the proposed Amending Agreement, and therefore, there is no impact on the 2019 approved budget.

LINK TO STRATEGIC PLAN

Council's Strategic Plan for the City of London, 2019-2023, identifies 'Growing our Economy' as a Strategic Area of Focus. This Strategic Area of Focus includes the following outcomes:

- London will develop a top quality workforce
- London is a leader in Ontario for attracting new jobs and investments
- London creates a supportive environment where entrepreneurs, businesses and talent can thrive

CONCLUSION

The delivery of economic development services is a key mechanism in achieving Council's vision to be 'A leader in commerce, culture and innovation – our region's connection to the World,' as well as the achievement of the outcomes for the Strategic Area of Focus 'Growing our Economy.'

Civic Administration will continue to work collaboratively with the LEDC to ensure that the services being purchased support the achievement of Council's 2019-2023 Strategic Plan and that regular communication with Council ensures accountability and transparency in the delivery of these services.

This Amending Agreement has been reviewed with the assistance of the City Solicitor's Office, Risk Management, and Finance and Corporate Services.
