

I am very sorry to inform you that I will not be able to continue as a member of the Trees and Forest Advisory Committee for the City of London. Due to scheduling conflicts at work, I have already missed 2 of 3 meetings, and given the time of the next meeting, I will be out of town again.

It is not fair to the committee for me to continue as a member if I will be unable to participate fully. I was recently given more responsibility at work and thought that I could juggle both, but I was wrong.

Please accept my resignation from the committee, and I sincerely apologize for any inconvenience this may cause.
