**Subject:** Request for Delegation Status

Hello Cathy:

This request is being sent on behalf of HDC Board Chair Dick Brouwer and the HDC Board Members.

The HDC Board is requesting delegation status at the Special SPPC Meeting of September 16<sup>th</sup>, 2019. This request will provide the HDC Board an opportunity to respond to Municipal Council, sitting at SPPC and the Sole Shareholder of HDC on matters related to the Housing Review and Proposed Action Plan report.

Understanding that this meeting is focused on these recommended next steps related to the Housing Review, the HDC Board requests that the delegation be provided an extended period of 15 minutes for a verbal presentation. There will be no overhead presentation. The comments to be shared by the HDC Board will be provided in writing for the purposes of the minutes, but may not be available prior to your publication of the agenda.

The HDC Board representation will be made by Dan Ross, Board Member, HDC.

Thank you.
