Re: Leave of Absence – Federal Election

As you may be aware, I am a candidate in the upcoming Federal Election, which is anticipated to be held on October 21, 2019. The purpose of this communication is to advise you of my intent to take an unpaid leave of absence from my role as Councillor Ward 1 during the campaign period, commencing the day the Governor in Council issues a proclamation for the general election to be held (the writ), until October 25, 2019.

Respectfully submitted,

Michael van Holst
Councillor, Ward 1
